Maple Ridge Recruiting 2024 BC Summer Games Board of Directors

Maple Ridge, BC: Maple Ridge has been awarded to be the host city of the 2024 BC Summer Games which will take place from July 18 to 21, 2024. Over 3000 athletes, coaches and sporting officials from around BC will come together in Maple Ridge to represent their region in a variety of summer sports.

In preparation for the event the City of Maple Ridge is recruiting volunteers for the Board of Directors who will organize and deliver the 2024 BC Summer Games.

“This will be Maple Ridge’s third time hosting the BC Summer Games and each time there’s been an incredible legacy of volunteerism and sports excellence that has helped propel our youth to the national and international stage,” said Mayor Dan Ruimy. “The 2024 BC Summer Games Board of Directors will lead a team of hundreds of volunteers to ensure that all the participants who make their way to Maple Ridge next summer head home with incredible memories of their athletic competition and the hospitality of our community.”

“The community of Maple Ridge has shown time and time again that it will rise to the occasion and provide an exceptional experience for BC’s young athletes, and that success begins with a strong Board of Directors,” said Alison Noble, President and CEO of the BC Games Society. “The Games represent a chance to create a lifetime of memories not just for the participants, but for the hundreds of volunteers who come together to deliver a remarkable and unique event.”
